Personal statement

Why would you like to join Frome College Sixth Form?

Additional information:

This is an opportunity for you to tell us more about yourself.

For example, have you received any awards for sporting/academic achievements, etc?

Are you involved in any clubs or groups out of school?

Please continue on a separate sheet, if necessary

What plans do you have for the future? Do you have any career plans? Do you wish to progress to college/university? If so which courses might you consider?

Subject choices

Typically, Level 3 students select four subjects: three full two-year A Level courses and a one-year AS course.

Typically, Level 2 students select English and/or mathematics with two further courses at Level 2.

Please detail your chosen courses below and indicate Level 3 or Level 2

Be careful to write the exact name of the subject and type of qualification.

If your results differ from your predictions, don't worry. We will carefully consider every individual and sometimes, even when course entry requirements are not met, students may be accepted onto their chosen course. For these students, the course is studied on a trial basis to the end of September, at which point feedback is provided by teachers, including completion of summer assignments, homework, class-work, attendance and attitudes. This often means that students continue on the course after the end of September.

Is there any medical information we should be aware of?

Please continue on a separate sheet, if necessary

Have you ever had any special access arrangements for exams?
(i.e. use of a laptop, a reader, etc)

Please continue on a separate sheet, if necessary

Please provide the names and contact details of two referees
