Safer walking and cycling to college

Please be reminded that Frome Town Council have launched an interactive map to capture ideas around how to make our streets safer for walking and cycling. They would love to hear your ideas on how we can enable more people to walk and cycle to college. Please visit and comment on the map here: <http://walkridefrome.commonplace.is/>

Sports Day 2020 goes virtual!

Although this year is different, we did not want our students to miss-out on Sports Day! We have designed a 'virtual Sports Day' involving 10 challenges. All students can take part in whichever activities they choose, or all of them. This will start on Monday **6 July** until Friday **10 July**. All results should be recorded by completing the *Results Survey* on **FROG**. There will be a 1st, 2nd & 3rd place for each individual event, and a 1st, 2nd & 3rd place overall. Full details about the event and the activities can be found on our website [here](#). Good luck to everyone - We look forward to seeing the results!
