DEADLINE FOR OPTION FORM SUBMISSION

1st February 2018

What happens next?

1. We will process your form and liaise with Middle Schools to ensure your selections are the right courses for you. We aim to finish this and let students know of any issues with choice combinations in May 2018.
2. **If insufficient students select a course this course may be cancelled. We will contact you for a replacement choice. We aim to let you know of this before May 2018.**
3. We will aim to construct a timetable which will meet the demand in all subject areas. However, sometimes subjects are oversubscribed or staffing changes can affect our ability to run a class. We aim to let you know in May 2018 if you are affected by this although we would not expect this to be an issue.
4. In addition to the above we will issue notifications of final allocations to students via the middle schools by the end of June alongside details of the student induction event.
