

GCSE and BTEC Exam Results Summer 2022

We are incredibly proud of the achievements and progress of all of our students as we receive a spectacular set of GCSE and BTEC results today.

Our young people have shown great resilience, determination and dedication to their studies and richly deserve these achievements. Our success is grounded in the strong relationships fostered at this college, the dedication of all our staff, consistent high- quality teaching and support from our families. Frome College Governors and I would like to thank parents, carers, staff and students for such a successful year in the face of unprecedented disruption.

We have many success stories to share this year and given that our year 11 students have been through so much, it is especially important to remember that behind these qualifications are many hours of hard work.

Our boys, in particular, have achieved very well alongside our top performing students. Indeed, ten of our students gained an astounding 102 level 8s and 9s across their subjects. A full 20% of all of results are level 7 or above- equivalent to a grade B or above.

In total 278 students have taken 2247 qualifications; one of our many strengths is the breadth of the curriculum students can study at College, and a total of 15 subjects attained a 100% pass rate- testimony to everybody's focused study.

Congratulations to all!

On Monday 5th September we look forward to welcoming our year 12 into Frome Future's sixth form where I am confident that this exceptional year group will continue to flourish.

We wish everyone the best of luck for their next steps towards a successful, happy future.

Emma Reynolds

Principal, Frome College

Well done to everyone who has received such fantastic exam results this summer, the levels of progress and achievement are excellent - especially considering events over the past 24 months. Thank you to all the staff at Frome College who have worked so hard to support our young people, thank you also to all the parents and carers for their support for College.

Gayle Willmott

Chair of Governors, Frome College
