Dear Parent/Carer

Re: Educake Online Homework System

Your child will soon be given a username and password for something called Educake. We are using Educake for homework for Year 9 science students from now on.

Educake is an online homework and revision system for secondary schools. Students can use it on a PC, tablet or smartphone by going to www.educake.co.uk. Teachers might set quizzes for homework or classwork in Educake. Quizzes can be retaken as many times as students want to improve their score. Every question is auto-marked, and students get instant feedback.

Educake makes revision easy and effective. Students can set themselves quizzes for more practice. They can see how they are doing on every topic and can identify areas to revise based on their progress. If they're not sure where to start, the revision wizard shows them which topics they need to work on and creates personalised quizzes.

The attachment to this letter will show you how Educake works. If you have any questions, you can always talk to your child's teacher about Educake, or you can email us Educake at support@educake.co.uk

Yours sincerely

Mr Peter Jones
Head of Science

When you use Educake as a student, you see this page first:

When your teacher has set you a quiz, it'll be here. Click on it to take it. Your progress is always saved, so you can return to it later.

Find all of your quizzes in one place. Click on one to go over your results and see if your teachers have left you any feedback.

The screenshot shows the Educake student dashboard. At the top left is the Educake logo. At the top right, there is a 'Contact Us' button and user information: 'Lulu Bun Bean Markham School' with links for 'My account' and 'Log out'. Below the header is a 'My Educake' section containing a 'Study with Educake Revision wizard' button. The main content area is divided into two columns. The left column, titled 'Your Upcoming Quizzes', contains a table with columns for Subject, Quiz name, Assigned by, and Due. The right column, titled 'Study and Quiz Yourself', has tabs for 'KS3' and 'GCSE' and a list of subjects with their corresponding progress percentages.
