

7 November 2023

Dear Parent/Carer

This is your term 2 curriculum update letter. Below is the Year 10 curriculum map for term 2 and the overall map of the year can be found on our website [here](#).

In term 1, Year 10 were awarded over 7000 achievement points and every single member of the year group received at least one point. Congratulations and I hope you have logged into Class Charts so you can see all the achievement points that are being awarded and find out about the homework that is being set and when it is due.

Parents and carers are also able to see which staff member has set a detention or other consequence on Class Charts. This will assist with conversations about behaviour at home. Email nextsteps@fromecollege.org if your child has not yet secured a work experience placement as the work experience week is fast approaching (22nd January).

Finally, attendance to school is key to a student's success. Please, where possible, ensure appointments are made outside of school hours or at the start / end of the day so that they can still attend most of their learning.

Yours sincerely

A handwritten signature in black ink, appearing to read "Aron Schneider".

Aron Schneider
Assistant Principal and Y10 RAE Lead
