We would like to extend an invitation to all parents and students to the Year 10 Raising Achievement Evening on Thursday 12th October 2022. The evening will be an opportunity for parents and students to gain a greater understanding of what is taking place this year and how students can be successful in Year 10 and build momentum towards successful GCSE outcomes.

The evening will consist of a main address in the Merlin Theatre at 6pm followed by a selection of 15-minute talks. Parents and students can select to attend 5 of these short talks from a menu of 10 choices which consist of:

- 1 Raising achievement in English
- 2 Raising achievement in Maths
- 3 Raising achievement in Science
- 4 Raising achievement in History
- 5 Supporting student aspirations: careers events
- 6 Student support – dealing with bullying.
- 7 Student support – mental well-being
- 8 Planning for higher education: what you need to know.
- 9 Aiming for grades 7-9 at GCSE
- 10 Taking control of your learning – study skills and retrieval practice

The talks will take place in Futures and the Maths block and will be on a repeating carousel with 5 minutes moving time between each talk. Please can you indicate on this form <https://forms.office.com/e/et83kYmvKZ> which talks that you would like to attend.

There will also be an opportunity to indicate that you would like to book an appointment with our SENCO, Mr Owsley in the form.
