Year 9 assessments:

Over the course of this term Year 9 will be assessed on their progress in all subjects. English, Maths and Science assessments will be held in the exam halls during the week of 7th to 10th May.

All other subjects will be assessed in classes during lesson time.

Year 11 attendance:

Please note that all year 11 students must attend all lessons, including tutor time, on their timetable up to May half term holiday break. Details post the May half term break will be sent out to parents closer to that time.

Detentions:

Just a reminder that we only notify parents if students have been set an afterschool detention and not for break and lunchtime detentions. To be kept informed of your child's homework and positive and negative points, we recommend logging into your ClassCharts account 1-2 times each week. If you would like us to send you your password again, please contact fcitteam@fromecollege.org

Year 9 Mental Fitness Programme:

Throughout the course of Terms 5 and 6, Year 9 will be participating in a programme during tutor time which is designed to build resilience, self-esteem, self-awareness, confidence and enhance well-being. The course is part of a research collaboration between the company Bright Futures and Bath University. As part of the research, Bright Futures and the University of Bath have asked that our students complete a short anonymous questionnaire to gauge their attitudes before and after the programme.

Students will be invited to complete the anonymous questionnaire, but this does not have to be submitted to the University of Bath. If you do not want your child to complete the questionnaire, please let your child's tutor know.
