Careers:

Thank you to all members of the community who helped with our year 10 mock interviews last week. The sessions were very successful and gave students a lot of support with CVs and building interview confidence.

Careerpilot is a great website that helps students to find career ideas and helps them to research into how to get there. The website offers career quizzes, facts about careers and allows students to build a profile about their interests and hobbies to find the perfect careers for them. Careerpilot is completely free and once signed in, students can go back and refer to their dashboard. It can all be accessed from this website, <https://www.careerpilot.org.uk/>
