Is there sufficient soap and towels now? Comments: more staff now cleaning toilets (they are visible); reduction in issues; soap still needs replenishing more frequently; S Block toilets are a particular issue; 6th Form is fine. • Revision sessions for Maths: are these still going well? Have they been offered to other years? Comments: Sessions are going well and are appreciated. We would still like revision sessions in Maths and Science for Years 9 and 10. • Enrichment: Is this more accessible? Comment: this has improved hugely. • Recycling bins: yes, these should be coming in the new year. • Energy Consumption: Oliver Griffin to feed back. 	<ul style="list-style-type: none"> • Lockers: we have looked into this and don't have the funding for it at present. Comments: what if we put in some lockers and it was first come, first served or we have a personal padlock? 	ERE and KWI to discuss	24.02.23
What's working well	<ul style="list-style-type: none"> - Our teachers - Library - The achievement points make us feel good - Year 11 – there is more revision in the Core and this is very helpful - Good classroom environment – poor behaviour doesn't disturb learning - Assemblies are well organised and efficient. - The lines in the canteen are far better and we get to buy lunch quicker - Toilets have improved - Lots of clubs - More access to mental health support 	KWI to feedback to SLT	24.02.23
Even better if	<ul style="list-style-type: none"> - We had more homework in the options subjects - Students had a better understanding of neuro-divergency - Food tech – can we be given at least a week's notice of ingredients needed with a weekend in between? - PE Lessons – girls going to the games deck aren't being watched; in the Core students don't always get changed and this isn't being challenged; we need "coaching in core PE, we shouldn't just be left to play games", classes do not have enough teachers due to cover and as a result the quality of lessons is effected; - More information about university for Year 11 – can we have an assembly or some optional sessions. - Can we have a stock of paper towels in student services so that we can collect them if they run out. - Can we wear leggings as long as we wear a skirt with them? - TAG Vs. Not in TAG – this creates a divide and we feel that we are not being given the same opportunities. - Not all tutors go through the tutor time powerpoint 	KWI to feedback to SLT	24.02.22
