

11th October 2021

Dear students, parents and carers,

Thank you for all your messages of condolence for Dave Titchener, our site caretaker who passed away last weekend. We look forward to celebrating his life and the energy he invested into our college site to make it so beautiful.

Year 10 Raising Achievement Evening

Thursday 14th October is Year 10 raising achievement evening which this year will be virtual because of Covid restrictions.

On that evening you will be able to log in to Frog and view a range of resources that will support you and your child as Year 10 progresses here:

<https://portal.fromecollege.org/a50ccabd26790eaa77644ffdcba8b16d>

The contents will be available from 4pm and will be divided into three sections:

- **Next steps and employability:** Work experience (27th and 28th January), CV writing, mock interviews and careers and employability events provide rich scope for our young people to identify areas of interest and, equally as important, areas in which they are not interested.
- **Wellbeing and mental health:** keeping young people supported and valued is an important part of our work.
- **Academic support:** Year 10 is an important year in the journey towards GCSEs and beyond.

Covid 19

During this time, please continue to test every 3-5 days with a LFD.

A reminder of key guidance from Public Health England:

- Siblings living within the same household as a positive case are requested to take a PCR test and self-isolate until their result is received.
- Anyone with a positive lateral test should book a confirmatory PCR test.
- Anyone who is symptomatic should book a PCR and not attend college. All parents, staff and students are advised to do the supervised PCR test.

A quick reminder that we break up on Thursday 21st October and return for term two on Monday 1st November which is a week 2.

Thank you for your support.

Yours sincerely,

Emma Reynolds
