

26th April 2021

Dear students, parents and families,

Year 11 and year 13 assessments:

Year 11 assessments have started really well with students showing they have prepared thoroughly and carefully. Our assessment policy will shortly be published on our website and sent to students and families who will receive their qualifications this summer.

Frome College Centenary:

We are using the opportunity of our birthday to collect as much memorabilia as possible to celebrate 100 years of educating the Frome community. If you have any old uniform, report cards or news articles about college life please do pass them onto Sarah Smallbone for our upcoming exhibition. Ssmallbone@fromecollege.org

Greenpower Project:

A sincere thanks to Wainwrights and parents for their generosity and support with the Greenpower project. Our student team are already working hard to build and race their electric sports car; we will keep you updated on progress.

COVID-19 testing:

We will continue to distribute tests to students whose families have given consent and all positive results must be reported to college. Students can collect their COVID-19 testing kits in assembly or from Student Services. Thank you for helping students to continue to take these tests every 3 to 5 days.

A reminder that any student who shows any symptoms of COVID-19 must not attend college; our attendance telephone line is 01373 469008, or [email FCC.Attendance@fromecollege.org](mailto:FCC.Attendance@fromecollege.org)

Do enjoy your Bank Holiday weekend.

Thank you, as ever, for your support.

A handwritten signature in black ink, appearing to be "ER".

Emma Reynolds
Principal
