6 & 7 September	Staff only	INSET days
8 September	Everyone	Start of term 1
26 September	Everyone	Frome College Centenary Service at St John's Church
30 September	Everyone	Frome College Open Evening

News update

Congratulations to Laura Shaw in Year 12 who has had a piece of photography work selected for the highly prestigious Royal Academy Young Artists' Summer Show! The RA show is an exhibition for students aged 5-19 studying in the UK and British schools overseas. Thousands of pieces of work were judged by art professionals with selected work displayed online and on-site at the Royal Academy of Arts. This is an outstanding achievement and testament to how incredible the standard of Laura's work is. The 2021 online exhibition goes live on 13 July, and if travelling to London, the artworks are on display at the Royal Academy from 13 July - 8 August.

Sixth Form Induction

This week we welcomed 200 Year 11 students for their 3-day induction to our Sixth Form. The programme enabled them to take part in subject taster sessions, talks, and finished with a BBQ lunch on Thursday. In a successful week, we extended a welcome to many new students coming to us from other schools - both locally, and as far away as California and Switzerland.

Greenpower update

Frome College Greenpower team have started building their electric car **Carbon Footprint**. They intend to race the car at Castle Coombe. This would not have been possible without the support from quarry company Wainwright & Co who have invested £5,000 in the build. For the bodywork, the team are using polycarbonate, a strong, tough, lightweight plastic polymer which also has high impact resistance ideal for racing. They do hope with external support, they can help future year groups use premium materials. If you would like to support our Greenpower team or donate spare polycarbonate for the bodywork, please email DWebber@fromecollege.org

Sport update

Our PE department are asking if the local community and businesses can help donate any unused or out of date scaffolding poles and 90-degree elbow ends for the College gymnasium to support in making additional outdoor exercise equipment and fitness stations. Anyone who would like to help, please contact MHowlett@fromecollege.org

For information about the advertising opportunities on offer in our news areas, and the up to date discounted rates available, please contact Jane.Davis@fromecollege.org
