March 2026

Dear Parents, Carers and Students,

We are pleased to announce the details of our Easter Revision Conference 2026.

Sessions will take place in school over the duration of the holiday and are free for all students.

Students are expected to attend at least two sessions during the course of the holidays.

To book

Please use the following form to book your place. Take care not to double book yourself. Students must be logged into their school Gmail account to use the Google form:

Book Here

Where spaces are limited, places are issued on a first come first served basis. If you have secured a space - you will see the session on Arbor.

The deadline for booking sessions is Thursday the 2nd of April.

Snacks

The canteen will be closed to all students so please make sure you bring any food or drink that you need. There will be snacks available but we urge students to bring lunch for any longer sessions as they will not be allowed to leave the site once they arrive.

On the day

Please arrive on time so the teacher can start promptly without interruption. It is important that we know who is on the premises, so please make sure you are registered with your teacher and leave the site when your session has finished. Bring all your normal stationery. Students do not need to wear uniforms.

Students who are not attending a session, will be asked to leave.

If you have any questions regarding the revision programme, please contact our coordinator:

Many thanks
